

DATE	GNMP LATE VACANCY MATCH ACTIVITIES
Friday 27 October	Round 2 Results Published <ul style="list-style-type: none"> Match results at 10am Unmatched candidates are emailed the details of health services with unmatched places.
Monday 30 October – Tuesday 31 October	PMCV Admin <ul style="list-style-type: none"> PMCV complete the transfer of unmatched candidate & health service information to the Late Vacancy Management round. This includes unmatched candidates' referee reports & video interviews. Candidates will receive two emails, one indicating withdrawal from Round 2 Match, the second email confirming their registration has successfully transferred to Late Vacancy Management round. Candidates' Late Vacancy health service preferences will be blank.
10am Wednesday 1 November to 5pm Friday 3 November	Late Vacancy Management Process for PMCV candidates opens: PMCV candidates must: <ul style="list-style-type: none"> Add preferences OR withdraw from the Match. Candidates review available health services in the Health Service Directory on the GNMP website. Candidates enter health service preferences into their APS portfolio. Only preference Health Services where you would be prepared to work. Candidates who declined their Match allocation in Round 1 or Round 2 cannot participate in this process., nor can candidates hoping to change allocations. Health Services will be advised of all allocated candidates, with the understanding they cannot interact with these candidates. Candidates can withdraw and therefore not be considered for a graduate place e.g., if they have failed a subject or have deferred placements
10am Wednesday 1 November to 5pm Friday 3 November	Apply direct to Health Services ALL PMCV & NON-PMCV candidates to apply direct to Health Services <ul style="list-style-type: none"> PMCV candidates only need to submit applications to Health Services they have not applied to previously. Non-PMCV candidates can apply direct to Health Services.
Friday 3 November by 5pm	<ul style="list-style-type: none"> Final day for PMCV candidates to add health service preferences. Final day for PMCV candidates to send applications to new Health Services needs to have been submitted. Final day for non-PMCV candidates to send applications to Health Services. <p>NOTE: PMCV Candidates failing to enter any preferences by this date will not be included in the Late Vacancy Management round.</p>

DATE	GNMP LATE VACANCY MATCH ACTIVITIES
Monday 6 November – Tuesday 7 November	PMCV Admin <ul style="list-style-type: none"> Finalise candidate approvals in the Late Vacancy Management process. Check candidates have added their preferences, if not the candidate will be withdrawn by PMCV.
10am Wednesday 8 November- ongoing	Health Services' Selection Process <ul style="list-style-type: none"> Health services will have access to PMCV candidate information in the APS. Health Services can receive new direct applications from non-PMCV candidates. Health Services to contact candidates if more information is required. Offers from Health Services <ul style="list-style-type: none"> Health Services may make direct offers to both PMCV and non-PMCV candidates (the algorithm will not be run). A written response by both PMCV and non-PMCV candidates to the Health Services offer is a mandatory requirement. The offer will not be binding without written confirmation (email is sufficient). Acceptance of offers should be in writing from all candidates (PMCV and non-PMCV) to assist with tracking the number of positions remaining. Health Services must forward this email from PMCV candidates to PMCV. Only on receipt of the written offer will PMCV remove the PMCV candidate, ensuring no other offers can be made. These candidates will be “withdrawn” from the Late Vacancy Management in APS. Notification of the names and numbers of non-PMCV candidates accepting offers is also required from the Health Services. PMCV need this information to update the vacancy numbers in the Health Service Directory. The names are also required to ensure these candidates are not on the Matched candidates list.
